

The third round of GD & PI was held on May 27<sup>th</sup>. Out of 354 students that had applied, 167 students appeared for the PG & 156 for the UG written tests. FLAME has selected 93 students for FSLE (FLAME School of Liberal Education), 22 for FSB (FLAME School of Business), & 21 for FSC (FLAME School of Communication).

**Dr. Julie Evans** from London Metropolitan University visited FLAME on 22nd June 2007. She is a Professor of Psychology at London Metropolitan University and also looks after the international recruitment of students.

During her visit, she met with our President, Chairman and Dean of FSLE and Dean of FSB.

She said, "I am very much impressed by the ideology with which FLAME has been initiated. I would be more than happy to contribute in any way I can to this academic endeavor. I would be happy to offer inputs on developing the curriculum for Psychology. I am visiting India again in November and I do look forward to visiting FLAME campus. I am sure, it would be flooded with enthusiasm of young students.

### Our Campus

The entire team consisting of the Architects, interior decorators, consultants and laborers are toiling day & night at the site to meet the deadlines of various projects. It

is heartening to note the progress of Campus.

The Road from DSK Toyota to the hilltop has been constructed

& improvement of the road is in progress. 2 Classes of 70 and one class of 40 are ready. Football Ground is ready.

Following work is in progress at various stages:

Faculty Block, Chemistry Laboratory, Academy Street, Swimming Pool, Multipurpose Indoor Sports Hall, tennis, Basket Ball & Volleyball Courts, Plaza, Accommodations for students & faculty.

Slab work of Kitchen & Dining will commence on 4<sup>th</sup> July.

Preparation to meet the accreditation norms of AICTE for FLAME School of Communication is in full swing.

### Reason to cheer about...

The delegates of AICTE committee consisting 4 members visited our campus on 27<sup>th</sup> June for inspection. They checked the entire infrastructure like classrooms, library, lab, students' apartments, medical facilities etc.

And 2 days later, we have received intimation from

AICTE stating their approval to commence the PDGM course for the FLAME School of Business; with an initial intake of 60 students.

Kudos to Hemendra, his team, General Mehta and his team whose unstinted efforts have helped us get this & has boosted moral of all of us.

# Birthday

Wish you a very happy birthday  
**Dr. Vijay Kumtarkar on July 6<sup>th</sup>**
