

"Heartfelt condolences to our President from the entire FLAME family. Indira, we wish you and your family strength and peace. We all feel deeply sorry for your loss."

Himanshu & Suniti's visit to Ranchi & Patna

Over 35 institutions took part at the 10th Education Fair, sponsored by the Global Consultancy Services of Patna. FLAME was one of the co-sponsors and received large share of public attention. There was stiff competition in both cities from many Management schools. In spite of this, Himanshu & Suniti were able to counsel 200 prospective students.

All Patna newspapers covered the event and FLAME was prominently mentioned. Himanshu was interviewed by HT and was quoted on Liberal Education appeared in print.

In Ranchi, DoorDarshan TV of Jharkhand interviewed Suniti on Liberal Education and MBA programs. The local newspapers covered this event as well.

At the Mumbai exhibition, FLAME was one of the 100+ exhibitors. As the principal focus was not on management, we received a lot of attention. Nearly 200 interested students and parents contacted us and learned about FLAME. Many thanks to the whole team!!!

Congratulations Ashish

Our Architect Ashish recently left the FLAME family fold, to pursue 8-year old dream. He has been accepted at a Tokyo University to pursue research in "Site Planning in Architecture and Urban Design" for two years. We wish him all the very best and look forward to seeing

his new ideas implemented back home soon. Ashish, your perseverance and determination is an inspiration to all.

Another family member has also decided to step out of the fold. We would like to wish our dear Rajashree all the best for her future. We will miss her smiling face and motherly scoldings!

Mirchi Kickstart 2007

The Radio Mirchi exhibition kickstarted on 27th April and lasted till Sunday 29th April'07. FLAME was the Presenting Sponsor of this exhibition. We had the biggest stall and pulled maximum number of students.

The Mayor of Pune, Smt. Rajalaxmi Bhosale inaugurated the exhibition. She was very happy to learn about our vision. She has expressed her desire to visit our campus during the second week of May'07.

Our members could counsel approx. 200 students. The majority were keen to join the PG school of business program and were impressed by the faculty. We were able to achieve some effective brand building at "Kickstart". It was reassuring and a little

surprising to see how many students had already heard about FLAME.

A special message from Suniti, "Thanks to Himanshu, Vijay, Achyut, Bindu, Ratna, Sandhya, Kaustubh, Prasad Kekre, Prasad Vanarase, Kishore, Sharad, Sanjay and Ashok for their immense support."

Birthdays

Wish you a very happy birthday
Major General Raj Mehta on May 12th!

Excerpts from the Campus Visitors' book.....

"...the ideology at FLAME is unique as it takes you back to your roots. The environment is also congenial and breathtaking. A wonderful experience for a student to be a part of."

"...very innovative & visionary approach. Once the campus is fully developed it will be an out of the world experience."

"Great vision & mission. We are confident that this will be one of the best universities in this part of the world."
