

Theatre workshop with Peter Muller....

FLAME in association with Max Mueller Bhavan, Pune organized a theatre workshop from 4th June to 6th June. This workshop was based on improvisation techniques and was conducted by Peter Muller and Annette Wurbs from Germany.

18 participants from Kabul, Dhaka, Delhi, Kerala, Chennai, Bangalore and Pune participated in this workshop. Workshop included various theatre games, improvisation techniques, voice exercises and introduction to shadow puppetry.

Peter is a trained actor and director. He used various interesting techniques to explore some of the different ways of acting. All the participants had some theatre background and they enjoyed this workshop a lot.

Group Discussions, personal interviews are being conducted all over India.

The students [both PG and UG] seemed to be very focused, optimistic and down to earth. It was a pleasure to notice, how many of them were in sync with nature through various NGO activities!

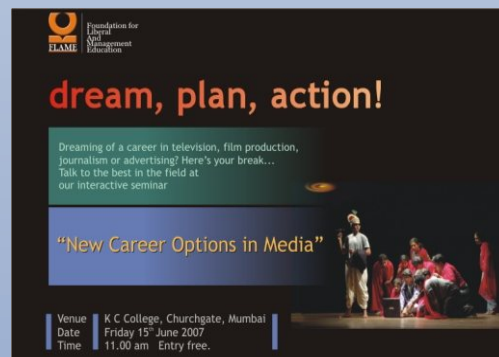

They were also keen to see, how efficiently we will implement the courses in FLAME.

They had all seen our web-site and were impressed by the faculty. They are very keen to experience the 'inter-disciplinary' pattern which we have planned.

Exhibition in Hyderabad

An Education Fair was held at Hyderabad on May 26, 27 and 28, 2007.

Although the Fair was meant for students who have appeared for their HSC exam and were looking to secure entrance into Engineering, Medical, Dental, Pharmaceutical and other schools, more than 2000 parents and students visited the FLAME booth and nearly 125 of them showed keen interest in FLAME. Himanshu addressed the gathering & gave them a presentation on FLAME and the concept of Liberal Education.

COGE's Program on Strategic

Leadership and Shaping Change

A program on "Strategic Leadership and Shaping Change" was successfully held at Hotel Taj Blue Diamond, Pune from June 7th to 10th, 2007 by FLAME's **Centre for Organisational Excellence & Growth (COGE)**. The program was well participated by the CEOs and the senior management professionals from different organisations representing various sectors like manufacturing (auto, auto-comp and domestic products), banking, turn key project consultancy, HR consultancy and food industry.

The program commenced with inauguration at the hands of Mr. Anil Singhvi (MD of Ican Services, ex-MD, Gujarat Ambuja Cements Ltd.) in the presence of our Chairman and President. Mr. Nemish Shah graced the occasion.

Highlights of this program were the sessions by the distinguished faculty consisting of Prof. Bakul H. Dholakia (Director, IIM A), Prof. Prakash G. Apte (Director, IIM B), Prof. K.Balakrishnan (ex Prof., IIM A), and our President Prof. Indira J. Parikh. In addition, there were guest lectures by the luminaries like Dr. Y.P.S. Thorat (Chairman, NABARD), Dr. Jayant Narlikar (world renowned Astrophysicist) and Dr. Balakrishna V. Doshi (internationally renowned Architect). As expected, each participant enjoyed every bit of it.

Some of the feedback from the participants:

"The faculty was par excellence. They were able to impart a lot more learning and exposure to how a true leader should shape. Narration of their real life experiences gave us an insight into the subject."

- "Sessions from the distinguished faculty and guest speakers were simply great."
- "The sessions and participants reflected a good mix between the academics and the industry."
- "A good mix of formal and informal methods adopted led to an effective learning."
- "Simplicity with which complex topics were presented by the Faculty was just marvelous."
- "An excellent mix of topics."

Birthday
Wish you a very happy birthday
