

GUIDELINES FOR FLAME UNIVERSITY'S ONLINE UNDERGRADUATE ADMISSION PROCESS

Dear applicants,

Greetings from FLAME University.

FLAME University's admission process is **conducted completely online**. You will be able to attend the admission process from your home.

As a part of your online admission process, you are required to complete an entrance test (FLAME Entrance Aptitude Test, if you do not have SAT or ACT scores), Essay and One-way Video Interview. **FEAT (if applicable), Essay and One-way Video Interview are conducted online on the same day.**

- a) FLAME Entrance Aptitude Test (FEAT) is an online examination (multiple choice questions) divided into 4 sections - Verbal Ability, Reasoning Ability, Quantitative Ability and General Knowledge. <u>Total duration of the FEAT shall be 120 minutes</u>. For applicants who have submitted their SAT/ACT scores, only Essay and One-way Video Interview will be conducted (FEAT is optional for them).
- b) Essay: During the online admission process, you will be required to complete an essay, the topic of which will be provided on the spot. You are required to complete your essay in ~200-250 words after you complete the FEAT (if applicable). <u>You will be given 20 minutes for the on-the-spot essay.</u>
- c) One-way Video Interview: This part of the admission process will also be conducted online right after you complete the FLAME Entrance Aptitude Test (FEAT) and the Essay. During the One-way Video Interview, you will be required to record your responses to three questions. For each question you will be given 30 seconds to gather your thoughts. You will have to express your thoughts for each question in not more than 90 seconds. Thus, <u>the total time for the One-way</u> <u>Video Interview will be 6 minutes</u>. The video interview questions will appear one at a time on your screen and you will be asked to record an answer for each.

Below you will find a comprehensive **step by step guide** of the online admission process. This has been designed to ease your navigation through the online assessment on the day of your admission process. We highly recommend you to review the guide before your scheduled FLAME University admission process day. For any questions, please write to us at admission@dflame.edu.in.

We wish you the very best.

Sincerely,

FLAME University Admissions Committee
