Theme: An Uncertain World: Growth, Development and Sustainability
March 01 & 02, 2019

Pre-Conference Research Workshop for Ph.D. Scholars & Participants
February 28, 2019

FLAME UNIVERSITY

FLAME University is the pioneer of liberal education in India. The University's main objective is to offer an inter-disciplinary platform of education that provides both breadth and depth in diverse areas of knowledge. The liberal education ethos at FLAME University inculcates leadership and risk-taking abilities in students and focuses on discovering one's passion. The student-centric learning is delivered by esteemed faculty scholars in a world-class campus setting.

OBJECTIVE OF THE CONFERENCE

The world is living in "strange and uncertain times" more than before. In an era of disruption, there are uncertainties galore in each sphere of the global environment encompassing trade, international relations, economic growth, development & sustainability, social & political environment, health & education, finance & banking, etc. The haze of uncertainty is undoubtedly challenging one and all across the globe to rethink about the strategic options to reposition oneself in the emerging era of new normal. This conference aims at bringing academicians, practitioners and policy makers from the above-mentioned domains to discuss, debate the intricacies of these challenges that would foster clarity of the thought process in formulation of relevant strategies. This conference also aims to facilitate young researchers expand their capacity by providing them with an opportunity for cross country and cross discipline learning and knowledge sharing.

CONFERENCE PARTNER INSTITUTION
