Welcome to OxfordMUN INDIA 2026

Where ideas are tested, voices are heard, and the future begins in conversation.

In a world defined by constant change, leadership demands curiosity, conviction, and clarity of thought. OxfordMUN India 2026 stands as a forum where these qualities converge, where students explore the art of diplomacy not as an exercise in debate, but as a practice in understanding.

Hosted in India by MU20 School of Opportunity in partnership with Oxford Global, OxfordMUN India continues to bring together some of the most promising young minds from across the country and beyond. Within these halls, delegates question ideas, negotiate perspectives, and learn the power of words that carry both reason and empathy. Each edition builds upon the legacy of those who came before, students who turned committees into classrooms of

insight, and discussions into discoveries of purpose. As OxfordMUN India enters a new chapter, it reaffirms its belief that the next generation of thinkers must not only speak about the world, but shape it.

Delegates will engage in debates on critical global issues, sharpen their skills in workshops led by mentors from Oxford, and form lifelong memories during vibrant evenings like the Masquerade Eve and Global Village Gala. Continuing the legacy of providing life-changing opportunities, OxfordMUN India 2026 invites every participant to think deeply, act decisively, and lead with intent.

MU20 Knowledge Festival

A Platform for Early Skill Development and Global Exposure

The MU20 Knowledge Festival is an initiative by the MU20 School of Opportunity designed to help students build essential real-world skills early in their academic journey without bearing the trouble of travelling abroad. In collaboration with FLAME University, Pune, the festival brings two globally recognised learning platforms to students in India, giving them access to international opportunities at a young age.

Two Independent Learning Experiences

Letter from THE SECRETARY GENERAL

Dear Delegates and Esteemed Faculty Advisors,

It is with great pleasure that we invite you to join us for OxfordMUN India 2026, set to return to FLAME University, Pune, this August. As Secretary-General, I am honoured to welcome you to our conference.

OxfordMUN India was established to bring a unique debating and policymaking experience to India. Our goal is to foster the values of the United Nations. This year, our committees will explore a diverse range of topics, from the weaponisation of artificial intelligence in DISEC to facing the education challenges of the digital age in UNESCO. Each agenda item has been selected to provide delegates with a challenge and push them to think critically and face issues head-on.

OxfordMUN India 2026 continues to be an experience that is more than just committee sessions. We want to bring forward a variety of other activities that will allow delegates to meet with like-minded individuals from diverse backgrounds, forming connections that will last far beyond the weekend. Alongside our partners at MU20, we invite you to join us for the social events, panels and activities that make up this conference.

Oxford Global was set up to provide a platform that allows delegates to grow their diplomatic and leadership skills, but even further, to provide a space for people to connect and learn. We want to bring a new dimension of MUN to India – with our unique Rules of Procedure, you will be challenged to develop new ways of thinking, as well as sharpen your public speaking and collaboration skills.

Collaboration is the cornerstone of our conference and the heart of diplomacy. Our desire is to simulate what the UN should be: a space of partnership and proposals for a better future. Our committees and activities are all designed to allow delegates to face the most important problems of our contemporary global order, and inspire young people to become the builders of a different world.

We eagerly anticipate welcoming you to OxfordMUN India 2026, and we cannot wait to be back for another impactful conference.

Sincerely,

Natalie Jones
Secretary-General
OxfordMUN India 2026

GET A CHANCE TO ATTEND THE OxfordMUN GlobalVoices 2026 AT **OXFORD UK**

An opportunity to experience diplomacy, innovation, and leadership at one of the world's most prestigious academic institutions.

This scholarship represents the highest recognition of excellence at OxfordMUN India. Awardees will join an international cohort of young leaders, engage in policy debates with global peers, and explore the historic grounds of Oxford while learning from distinguished scholars and practitioners.

The Best Delegates of OxfordMUN India 2026 will earn
100% SCHOLARSHIP

on the registration fee for the OxfordMUN GlobalVoices 2026 at Oxford, United Kingdom.

So far, 16 students have earned this scholarship, representing OxfordMUN India at Oxford, United Kingdom.

OxfordMUN India 2026

Returns to the iconic

FLAME UNIVERSITY

OxfordMUN India 2026 hosted at FLAME University, Pune, a leading institution that has become a benchmark for liberal education in India. Known for its expansive 70-acre campus and emphasis on interdisciplinary learning, FLAME University provides an environment where intellectual curiosity meets purposeful action.

The university's academic philosophy encourages students to explore beyond conventional boundaries, combining analytical thinking with creativity and empathy. Its campus infrastructure, from advanced conference facilities to residential and collaborative spaces, offers the ideal setting for a conference that thrives on dialogue, diversity, and depth.

By collaborating once again with OxfordMUN India, FLAME University reinforces its commitment to nurturing global citizenship and experiential learning. Together, FLAME University and MU20 School of Opportunity continue to provide a platform where young leaders develop the insight, confidence, and awareness required to shape the world of tomorrow.

Events

01 MODEL UNITED NATIONS

Debate pressing global issues and craft meaningful resolutions at OxfordMUN India 2026, where intellect meets diplomacy. Engage in deliberations that test your ability to think critically, negotiate strategically, and articulate with clarity in one of the most competitive MUN experiences in the country.

INNOVATION CHALLENGE

Participate in the Innovation Challenge for a chance to win a 100% scholarship to OxfordMUN India 2026.

This pre-conference challenge invites students to address real global issues through creativity, teamwork, and practical problem-solving.

03 TRAINING SESSIONS

Enhance your skills through expert-led sessions that strengthen your research, debate, and strategy for the committees. These sessions ensure delegates step into the conference fully prepared and confident.

04 POWER TALKS

Gain insights from leaders and professionals as they share their experiences across diplomacy, leadership, and education in sessions designed to inspire and inform.

05 MASQUERADE EVE

An evening of elegance and connection. Forge new friendships and celebrate together in a night filled with music, energy, and the spirit of unity.

06 GLOBAL VILLAGE GALA

Celebrate culture and diversity at the Global Village Gala, where delegates showcase global traditions through performances, cuisine, and creativity, a true celebration of shared identity.

07 POWER DRILL

Test your teamwork and adaptability in this fast-paced collaborative challenge that brings all committees together for an exhilarating mix of competition and strategy.

MUN | MODEL UNITED NATIONS

OxfordMUN India 2026 redefines the Model United Nations experience, merging diplomacy with innovation to create a platform where dialogue leads to discovery. Delegates will engage with global agendas that demand analytical depth, empathy, and strategic thinking, mirroring the intensity of real-world decision-making.

Each committee is designed to empower participation, encouraging delegates to exchange diverse perspectives and craft actionable solutions. What distinguishes OxfordMUN India 2026 is its commitment to blending academic excellence with experiential learning. Beyond structured debate, the conference becomes a space for collaboration, leadership, and cross-cultural understanding.

At OxfordMUN India, every session is more than a simulation, it is a step toward shaping thoughtful, globally minded leaders. By bridging intellectual rigor with meaningful exchange, the conference continues to stand as a gateway for students ready to engage with the complexities of a rapidly evolving world.

OxfordMUN INDIA 2026

Expanding global frameworks for women's economic agency in the digital and care economies

UNCOPOUS

Establishing binding global norms for the management of satellite mega-constellations

ILO

Setting international standards for worker rights and social protection in global gig and platform economies

PRE-CONFERENCE TRAINING SESSIONS

The Pre-Conference Training Sessions at OxfordMUN India 2026 are designed to prepare delegates with the essential skills and confidence required to excel at every stage of the conference. These sessions combine academic depth with practical learning, ensuring that participants are equipped to navigate the complexities of global diplomacy.

Led by experts, the sessions cover a range of critical areas that strengthen delegates' analytical and diplomatic abilities. Each session blends learning with interaction, offering hands-on experience in:

- Understanding the MUN framework and procedures
- Conducting policy research and issue analysis effectively
- Drafting resolutions with precision and clarity
- Building consensus through lobbying and negotiation

Tailored for both first-time and returning participants, these sessions encourage collaboration and exchange between delegates from diverse schools and regions. They aim to create an environment where every participant feels prepared, confident, and inspired to engage meaningfully.

By the end of the training session, delegates will not only possess a deeper understanding of diplomacy but also the ability to think critically, communicate confidently, and represent their positions with poise on an international platform.

INNOVATION CHALLENGE

The Innovation Challenge at OxfordMUN India 2026 represents a space where ideas evolve into solutions. Designed to blend diplomacy with creativity, this pre-conference segment invites delegates to rethink how global issues can be addressed through collaboration and design-based problem-solving.

Teams will navigate real-world challenges through multiple rounds, applying analytical thinking, teamwork, and strategic communication. Rather than simulating negotiations, participants take on the role of innovators, identifying root causes, proposing actionable models, and presenting impactful solutions that reflect both insight and practicality.

The top five winning delegates will be awarded a 100% scholarship to attend OxfordMUN India 2026, recognising them as emerging voices in leadership and innovation.

The Innovation Challenge is an entry point into applied diplomacy, where ideas are tested, perspectives expand, and leadership finds new expression.

MASQUERADE EVE

The Masquerade Eve at OxfordMUN India 2026 returns as one of the conference's most anticipated evenings, a celebration of expression, artistry, and connection. Designed to offer delegates a refreshing escape after a day of rigorous debate, the night unfolds in an atmosphere of elegance and creative flair.

The Masquerade Eve invites participants to showcase individuality through themed attire, performance, and conversation. It's a space where creativity takes centre stage, and every moment reflects the diversity and dynamism of the global youth community.

More than an evening of celebration, it captures the essence of OxfordMUN India, where young leaders connect through shared experiences that go beyond dialogue and diplomacy. With music, laughter, and meaningful encounters, Masquerade Eve leaves behind memories that endure long after the conference concludes.

GLOBAL VILLAGE GALA

The Global Village Gala stands as a celebration of culture, creativity, and connection. Designed to showcase the beauty of diversity, the evening transforms into a vivid cultural showcase, alive with colour, rhythm, and the spirit of unity.

Delegates from across the country come together to present their unique traditions through music, attire, art, and performance. The Gala becomes a living mosaic of global heritage, where every corner tells a story and every interaction bridges a new understanding.

Beyond the celebration, the Global Village Gala reflects the essence of OxfordMUN India 2026, a space where collaboration grows through cultural appreciation and shared respect. It's an evening that celebrates the richness of difference while reminding us of the humanity that binds us all.

INSIGHT SESSIONS BY OXFORD STUDENTS

The Insight Sessions by students and alumni from Oxford at OxfordMUN India 2026 offer delegates an exclusive opportunity to engage with current students and alumni, individuals who have studied at one of the world's most distinguished universities.

These sessions provide direct insight into the academic and cultural life at Oxford, while also offering practical guidance on navigating the university admissions process, writing impactful applications, and excelling in interviews. Delegates receive mentorship that bridges ambition with strategy, helping them understand what it truly takes to thrive at the global level.

Beyond admissions, the sessions open a window into the Oxford experience, its tradition of inquiry, leadership, and innovation. Delegates leave inspired to pursue academic excellence, global awareness, and purposeful leadership in their own journeys.

POWER DRILL

The Power Drill remains one of the most anticipated highlights of OxfordMUN India 2026 designed as a fast paced, mind and muscle challenge that brings intellect, teamwork, and endurance to the forefront. It pushes delegates to think sharply, collaborate effectively, and perform with precision under pressure.

Through a series of strategic and physically engaging tasks, participants learn to balance logic with agility, adapting to unpredictable situations while maintaining clarity of thought. Each challenge is structured to highlight the importance of composure, coordination, and leadership in dynamic settings.

HIGHLIGHTS OF OxfordMUN INDIA 2026

WIN YOUR WAY TO OXFORDMUN HOME CONFERENCE

Outstanding delegates will receive a 100% scholarship to attend the OxfordMUN GlobalVoices 2026 in the United Kingdom. Showcase your skill, insight, and diplomacy to earn a position on an international platform that celebrates academic excellence and leadership.

SOCIAL & CULTURAL IMMERSION

OxfordMUN India 2026 features curated experiences like Masquerade Eve and the Global Village Gala, evenings that foster cultural exchange, networking, and the spirit of celebration that enhances the conference experience.

STRUCTURED COMMITTEE FORMAT

With limited delegate capacities per committee, every participant is assured an active role in shaping discourse. This structure encourages constructive engagement, meaningful collaboration, and impactful outcomes.

PRE-CONFERENCE CHALLENGE

Redefining the traditional MUN experience, these challenges encourage delegates to think critically and work collaboratively. Designed to strengthen analytical thinking and innovation, they prepare participants for the intellectual rigour of the conference.

INSIGHT SESSIONS BY OXFORD STUDENTS

Engage directly with students and alumni from Oxford through sessions designed to offer a clearer understanding of the university's academic environment, collegiate life, and approach to leadership. These conversations provide first-hand insight into the expectations, opportunities, and experiences that shape one of the world's most respected institutions.

DISTINGUISHED PARTICIPATION

OxfordMUN India 2026 welcomes delegates from leading schools across the country, ensuring balanced representation and high-calibre discussion. The diversity of perspectives enriches every conversation and elevates the quality of resolutions.

OxfordMUN India 2026 provides students with a high-impact space to debate global challenges, negotiate solutions, and practice diplomatic decision-making.
