

PATTERN RECOGNITION AND BUSINESS DEEP DIVES

WITH SAURABH MADAN

JULY 9 – JULY 10, 2022

ABOUT THE FLAME INVESTMENT LAB (FIL)

FLAME was founded with the concept of liberal education as its cornerstone. FLAME celebrates ideas, cherishes diversity, and strives to deliver an academic experience that fosters intellectual curiosity, a critical thought process, self-reflection, leadership and teamwork skills, a sense of commitment and professionalism and a heightened sensitivity to one's sociocultural environment. FLAME aims to provide an interdisciplinary platform of education by propagating different models and paradigms through, but not limited to, history, philosophy, political sciences, psychology, business, economics, mathematics and finance.

As part of its endeavor to constantly redefine education, FLAME inducted the FLAME Investment Lab (FIL), an initiative that strives to deliver the concepts and decipher the art of value investing to interested students. FIL believes in the dictum "invest in yourself". It provides tools for self-learning and acquiring knowledge, constantly striving for intellectual stimulation and asking questions. FIL strives to widen your horizons, aiding you to connect the dots within seemingly disparate information. FIL truly believes that the best investment is investing in yourself. As Socrates has said, "I cannot teach anybody anything. I can only make them think."

After hosting multiple programs and FIL alumni meets that covered topics like valuation, accounting shenanigans, investment checklists, mental heuristics and negotiation amongst others, FIL is planning the 'FLAME Investment Lab – Pattern Recognition and Business Deep Dives' program with Saurabh Madaan, from July 9 – July 10, 2022.
