#Certification

FLAME UNIVERSITY IS NOW

E-LEAD CERTIFIED

E-Learning Excellence
for Academic Digitisation

I-GAUGE

INDIAN COLLEGE & UNIVERSITY RATINGS

FLAME University is now certified with an E-Lead certificate by QS I-GAUGE. This certification involved a rigorous verification and validation process to certify the preparedness of FLAME University to conduct online teaching and learning.

The certification process involved rigorous data collection, evaluation and assessment of performance metrics as set out in the methodology by QS. It is a validation of the effort put in by our faculty and staff in setting up our online learning systems last year in the wake of the COVID-19 induced lockdowns.

#Students' Achievements

Our undergraduate students completed a summer internship with the Centre for Land Governance (CLG).

Students from different specializations and backgrounds were a part of this exploratory journey which revolved around digital India's land records.

With the support of faculty and practical exposure to the real world, students valued the importance of teamwork, research processes, and much more. FLAME University looks forward to more intellectual and practical internships with CLG.

#Faculty Achievements

Prof. Maya Dodd, Faculty of Literary and Cultural Studies; Assistant Dean - Teaching, Learning, and Engagement at FLAME University, was one of the committee members of Creative Commons Global Summit held from 20th-24th September, 2021

The event aimed to discuss, debate, and plan community-building alongside some great speakers: Achal Prabhala, Coordinator of AccessIBSA, India; Audrey Tang, Digital Minister, Taiwan; Lawrence Lessig, Founder of Creative Commons and Roy L. Furman, Professor of Law at Harvard Law School.

Prof. Roger Liu, Faculty of International Studies, FLAME University, was a part of the crucial ORF-TAEF Indo-Pacific discussion.

The symposium revolved around exploring various aspects of cooperation with regards to the geopolitical and geo-economic framework of the Indo-Pacific and how India could assist Taiwan to join QUAD and QUAD+ projects.

#Alumni

FLAME University is proud of alumna Malika Bhardwaj for her stellar achievement.

Malika has been selected for joining the Indian Army after getting recommended by the Service Selection Board, Bangalore, and has secured an All India Rank of 3rd!

She will now be joining Officer's Training Academy, Chennai, for her pre-commissioning training, after which she will be commissioned into **the Indian Army at the rank of a Lieutenant**, fulfilling her dream of being a 3rd generation armed forces person from her family.

FLAME alumnus **Rahul Nair** tells us why he is an evangelist for his alma mater and believes in the true power of Liberal Education

From being a shy kid with little exposure to extracurricular activities to being an award-winning student pursuing varied interests on campus, FLAME alumnus, Rahul Jayaram Nair, has been through a stunning transformation. His first, real-life exposure to Liberal Education in the truest sense has made him an evangelist for his alma mater. As the President of the FLAME Alumni Club, he is spreading the good word far and wide while launching initiatives to bring alumni back to campus.

Igniting Minds.

We aim to make the education at FLAME a personal experience. The Mentorship Program at FLAME University is specially designed to help students experience a smooth transition from being high-school students to university students. Each student is assigned with both, a faculty and a peer mentor as soon as they register. The mentors make sure to guide the students every step of the way and take care of everything from academic challenges to co-curricular activities.
